Term 1 Newsletter 2025

Hello Everyone

Welcome to 2025! We hope this year brings boundless opportunities, infinite potential, and the chance to create unforgettable memories that challenge what we once thought was impossible.

Enormous thank you and much gratitude for all the beautiful gifts and messages shared with us during demo time. We feel so privileged to have you as part of our dance family♥.

Founded in 1985, the Stellenbosch Dance Academy has flourished over the years. We offer Modern, Hip Hop, and Musical Theatre classes for everyone aged three and up, catering to both beginners and advanced dancers (Hip Hop and Musical Theatre classes are available starting from Grade One).

As teachers, our goal is to encourage every dancer, regardless of their strengths and challenges. Each person is special in their own unique way, be it serious examination work or simply dancing for the love of dance. Each dancer is unique, whether they're focused on serious exam work or simply dancing for the joy of it.

We are thrilled to have you as part of our community of passionate dancers, where creativity, dedication, and artistry come to life. Whether you're stepping into the studio for the first time or continuing your dance journey with us, we are here to support and inspire you every step of the way.

At SDA we believe in fostering an environment where everyone feels encouraged to express themselves, push their boundaries, and grow as both performers and individuals. Dance is more than just movement—it's a way to connect, tell stories, and celebrate the joy of self-expression.

Here's what you can look forward to:

Expert Guidance: Our skilled instructors qualified in AIDT, TDA and SABOD and are here to help you hone your technique, explore new styles, and reach your goals.

Inclusive Community: We're proud to welcome dancers of all backgrounds and experience levels. Together, we create a supportive and uplifting space for everyone.

Exciting Opportunities: From performances to workshops and competitions, there's always something happening to inspire and challenge you.

Remember, every dancer's journey is unique. Celebrate your progress, embrace the challenges, and most importantly—enjoy the process! We're here to cheer you on and help you shine.

Dancers should please bring along a water bottle.

No parents may be in the halls during classes. The waiting room is for the dancers to gather and warmup.

Dancers must please not walk through the halls while other classes are dancing.
